

We help government agencies and nonprofits in states, tribes, and territories work across jurisdictional and systemic boundaries to improve supports and services for families in which grandparents, other relatives, or close family friends are raising children.

We conducted

53

individual video calls – one for each state, the District of Columbia, Puerto Rico, & the U.S. Virgin Islands – to explore strengths & challenges in serving the families.

We held **6** virtual half-day convenings to share promising practices.

✓ **5** regional convenings ✓ **1** tribal convening

We engaged

8

government systems to join **caregivers, kinship navigator programs, & other nonprofits**, all to better serve kinship/grandfamilies.

Our **most** requested technical assistance topics were:

Legal/
Custody

Financial
Support

Housing

We reached **624,600+** people.

The states that **most** utilized Network technical assistance were:

Missouri

Pennsylvania

Georgia

And we launched **1** new website, **www.GKSNetwork.org**, a hub for this work that

already features new resources.

The Network is supported by the Administration for Community Living (ACL), U.S. Department of Health and Human Services (HHS) as part of a financial assistance award totaling \$9,950,000 with 95 percentage funded by ACL/HHS and \$523,684 and 5 percentage funded by non-government sources. The contents are those of the authors and do not necessarily represent the official views of, nor an endorsement, by ACL/HHS, or the U.S. Government.

The Network is a project of Generations United.
