# TESTIMONIALS

I appreciate all of the additional information that is provided such as websites, webinars and training. Everyone our agency has worked with [at the Network] has been professional, friendly and very supportive.

The Network was so wonderful to work with and [the staff] is very obviously skilled and knowledgeable in their field. I really appreciated the collaboration and hope for a chance to work together again in the future!

[Y]ou always go above and beyond my expectations.... so thank you for your diligent work.

In fall 2023, we will be applying what we've learned from you and rolling out an opportunity for your state, tribe, or territory to work together with our cadre of experts to engage in cross-system collaborative work, free of charge, to improve your supports for kinship/grandfamilies.

**LET'S STAY CONNECTED!**

Please make sure you've joined our Network by signing up for our newsletter, so you're among the first to hear of this and other opportunities:
