

# GRANDFAMILIES & KINSHIP SUPPORT NETWORK

A National Technical Assistance Center

**Kinship/grandfamilies form out of love and necessity** when relatives and friends step in to raise children whose parents are unable to do so.

**The Grandfamilies & Kinship Support Network:** A National Technical Assistance Center (Network) helps government agencies and nonprofits in states, tribes, and territories improve supports and services for these families and promotes collaboration across jurisdictional and systemic boundaries.

**All Network services are free of charge.**
